Dear HR Manager,

With respect, regarding the information I received, that your company needs new employees, so I intend to work for your company, I am 23 years old, my last education is SMK Business Management, I have skills in office software such as Microsoft office and computer networks, such as mikroti, cisco, network automation, and I also understand programming such as Java, HTML, and CSS. I include a job application letter, curriculum vitae, passport photo, graduation certificate, and several other certificates that I have achieved to consider the audience. I have good motivation and interpersonal to progress and develop, eager to learn, and able to work with team or by myself. I hope that my educational background and abilities are expected by you for the attention and opportunity you have given, I thank you.

Best regards.

Fahrul Fahmi
